***AN ACT REQUIRING THE TESTING OF CONCRETE AGGREGATE
FOR THE PRESENCE OF PYRRHOTITE.***

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 Section 1. (NEW) (*Effective July 1, 2017*) Each manufacturer of
2 concrete aggregate intended for residential use in a concrete
3 foundation shall cause such aggregate to be tested for the presence of
4 the mineral pyrrhotite prior to the use of such concrete aggregate in
5 any foundation. Such manufacturer shall file documentation of the
6 results of such test with the Department of Consumer Protection, on a
7 form as prescribed by the Commissioner of Consumer Protection, and
8 such department shall maintain a copy of such documentation
9 electronically for not less than thirty years.

This act shall take effect as follows and shall amend the following sections:

Section 1	<i>July 1, 2017</i>	New section
-----------	---------------------	-------------

Statement of Purpose:

To require manufacturers of concrete aggregate intended for residential use in a concrete foundation to test such concrete for the presence of the mineral pyrrhotite.
